Message from the **Director's** Desk

Greetings from Indian Institute for Production Management (IIPM), Kansbahal!

I really feel honored and privileged to introduce new generation Diploma Engineers in Mechanical and Mining stream from our diploma wing popularly known as IIPM School of Engineering and Technology or IIPM SET.

IIPM has a very strong background of training and project management certified with more than four decade long proven track records. We have always felt proud of our esteemed promoters viz L&T, SAIL, Govt. of Odisha for giving us the high-quality training and education platform.

Needless to mention that with a strong background of Training and Development Our students have been brought up in a application oriented pedagogy.

I hope you will definitely give our students a chance in your esteemed organization to prove their skills and add value to your organization.

It will be really a pleasure to have you in our campus soon.

DR. SUDIP KUMAR GHOSE
Director
IIPM

Message from the Principal's Desk

Greetings !!! from IIPM School of Engineering & Technology, a unit of Indian Institute for Production Management (iiPM)

Established in 2017, IIPM School of Engineering & Technology, with two distinct branches Mechanical & Mining Engineering approved by AICTE, New Delhi and affiliated to DTE&T, Odisha & SCTE&VT, Odisha. The main focus of the Institution is to empower students with sound knowledge, wisdom, experience and training both at the academic level of Engineering and in the highly competitive global industrial market. The infrastructure facilities and state-of-the-art equipment's combined with a galaxy of competent, talented and dedicated faculty contribute to an enjoyable and an easy learning experience. This is my cordial wish that our students should try to be toppers not only in their chosen career but also lifestyle in future by means of doing service to the society.

I am confident that our institution makes students attain proficiency in the best quality of education and become all rounded personalities towards growth and success of your organization. Looking into great achievements of the alumni of this Institute, I am sure that you and your organization is going to have a wonderful experience of intern and full-time hiring at this Institute and this relationship will go beyond for having other kind of engagements as well for mutual benefits.

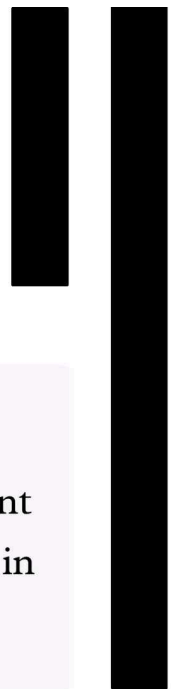

I extend my deep appreciation for our industry partners who have recognized the depth of our rich and diverse talent pool and accorded valuable opportunities.

I am looking forward to your visit to this campus soon.

ER. PRASHANTA KUMAR DEHURY
Principal
IIPM School of Engineering & Technology

ABOUT/US

Indian Institute for Production Management (iiPM), Kansbahal has a long history of academic excellence, providing industry focused techno-management training and education. As a dream project of L&T, the institute was founded in the year 1979 with active support from SAIL and Government of Odisha.

The institute has flourished with a unique educational model of Public-Private Partnership. It has created myriad new-age leaders to meet the challenges of the industry. Currently in its 40th year of glorious service to the Nation, iiPMKansbahal continues to cater to the national as well as international audience.

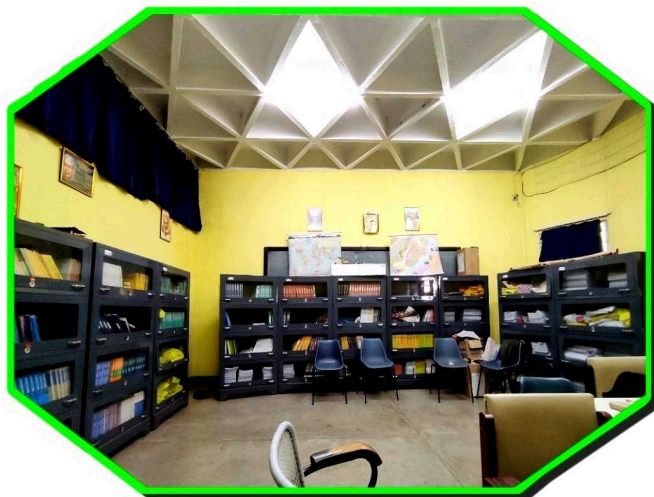

Established in 2017, IIPM School of Engineering & Technology, with two distinct branch Mechanical & Mining Engineering approved by AICTE, New Delhi and affiliated to DTE&T, Odisha & SCITE&VT, Odisha. The Diploma wing of iiPM has evolved as one of the most cherished destination for the candidates aspiring to have a growing career in technological arena. Besides the academic strength that students garner here, professional skill development in high-end areas and all-round personality development make the students different among their class. Located ideally in heart of the state industrial capital Rourkela near, it provides its students a learning intensive ambience to explore and grow.

IIPM School of Engineering & Technology focused on evolution & progress in the field of both Mechanical & Mining Engineering. The course comprise of Diploma in Mechanical Engineering & Mining Engineering spreading its wings on various concept and dimensions in the diversify areas of technical education.

Mining

The Department of Mining Engineering as a branch of IIPM School of Engineering and Technology took birth in the year 2017 having a capacity of 60 intake.

We are proud to be the only Institute to offer the diploma course in mining engineering in western odisha. As Sundargarh is a district surrounded by mines both opencast and underground, it gives enough opportunity to equipped with adequate knowledge to work in such environment.

The department has qualified faculties and staff in the field of mining technology with practical skills and knowledge. The department has well equipped laboratories and workshop to provide the students good opportunities and hands-on learning environment. The department has also excellence computing facilities Arc GIS software.

Every year the students are facilitate with industry visit, seminars, practical training, project wok for their all-round development.

Mechanical

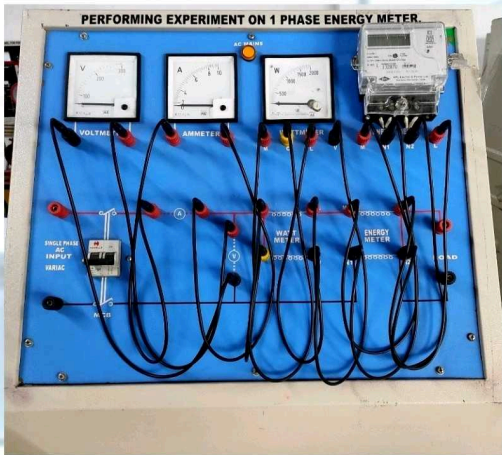

The same year 2017, has witnessed the birth of Diploma in Mechanical Engineering.

The Department offers many options extending across many interdisciplinary specialties. Our Department is concerned with all types of machinery in industries and their mechanism and functioning; the design, development, construction, production, installation, operation and maintenance; such as large steam and gas turbines, components of thermal power stations, internal combustion engines, jet engines, machine tools, air conditioning and heating machines, refrigerators etc. Our Department prepares the mechanical engineers who are the driving force behind many of our technologies and industrial processes.

The department has computing facilities providing knowledge on AutoCAD, REVIT software. The students are facilitating with various training along with their academic studies. Our students have found employment in public private and Government sector.

The department is managed by high qualified Professors and trained faculties.

ADMISSION

PROCEDURE

All admissions
are done
through SAMS
portal by the
directives &
eligibility criteria
by DTET Odisha
& SCTE&VT
Odisha

Admission to First Semester (Regular Entry)

The candidates must have passed the HSC examination or 10th examination with English, Math and Science subjects

Minimum age limit is 14 years for Diploma in Mechanical Engineering & 16 years for Diploma in Mining Engineering

Admission to Third Semester (Lateral Entry)

The candidates must have passed the HSC examination or 10th examination with English, Math and Science subjects

Minimum age limit is 14 years for Diploma in Mechanical Engineering & 16 years for Diploma in Mining Engineering

Why **RECRUIT** at IIPM-SET

Since its establishment in 2017, the Training and Placement Cell of IIPM SET has been actively guiding its students in career development and industrial training.

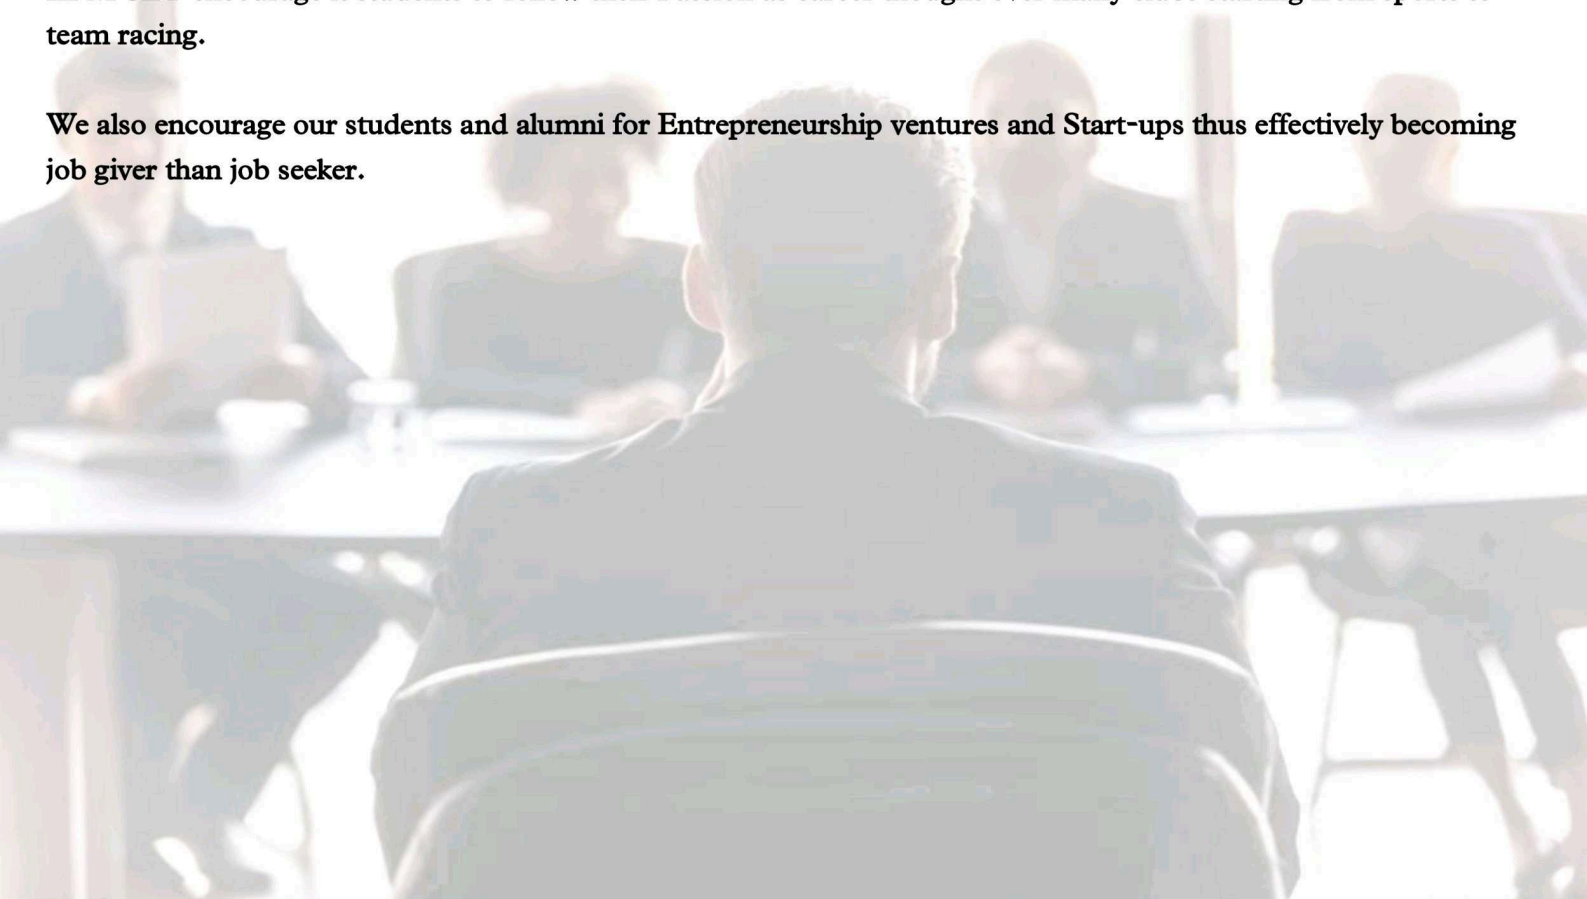

IIPM SET has produced hundreds of diploma professionals in Mechanical & Mining Engineering. Career development at IIPM SET focuses on various aspects based on students passion.

The placement cell conducts rigorous Pre-Placement Training Programs throughout the academic year for both Mechanical & Mining Engineering students to make them industry-ready. Multiple training courses/programs in cutting edge technologies beyond regular course curriculum are offered by faculty of IIPM SET Expert from Various reputed Industry through summer and regular semesters so that student are industry ready beyond academic excellence. The placement cell assists the faculty members to provide various on-campus training and certification courses during the summer based on industry need.

Higher Education is one of the areas where IIPM SET students shine. The institute provides the students with ample opportunities & guidance to pursue higher education at premiere Govt. institutes and reputed universities in Odisha as well as across India.

IIPM SET encourage it students to follow their Passion as career thought over many clubs starting from sports to team racing.

We also encourage our students and alumni for Entrepreneurship ventures and Start-ups thus effectively becoming job giver than job seeker.

TRAINING & PLACEMENT CELL

The Training & Placement Cell, IIPM-SET Kansbahal facilitates the process of placement of students passing out from the Institute besides collaborating with leading organizations and institutes in setting up of internship and training program of students. The office liaises with various industrial establishments, corporate houses etc which conduct campus interviews and select diploma students from both disciplines.

PLACEMENT PROCEDURES

Facilities for Recruiters

The Recruiters are provided with all the required facilities for the placement process:

- Any recruiter interested in delivering a Pre-Placement Talk is provided with a seminar hall and other required facilities, if any.
- The computer and internet facilities are available for online test.
- Fully furnished, air conditioned rooms for group discussion and personal interviews.
- Telephonic and video conferencing facilities are available if necessary.

2023 Batch Courses with Student Strength

The placement cell maintains a complete database of all the students selected by the companies. A student once selected may or may not be allowed to appear in another interview(s) depending upon the placement policy of the Institute. The placement cell reserves the right to amend the placement policy of the Institute, if required.

Life @ IIPM-SET

The most awaited event of every year is our annual day. The combined enthusiasm of students, guardians and all working staffs of our institute with their families make it a grand success. We named it 'KOLOSSEUM 2024' this year a unity of cultural programs for entertainment and felicitation for excellence. The best performance of our students in the cultural programs which was being come to an end with the ramp show with a theme got the best feedback and appreciation from the audience.

To rejoice talents in Games and Sports we organized our athletic meet Prolympic- 2024 in the month of January having both indoors and outdoors competitions for our students. All students of IIPM SET participated in the sports events from where we got some astonishing results. In some events the junior students overpowered the seniors through their best performance. Some events pulled out the hidden talents and some other glorified the genius.

Life @ IIPM-SET

Every year on the 5th day of spring 'Basant Panchami' we celebrate Saraswati Puja or the worship to the Goddess Sarawati the embodiment of knowledge, music, art, wisdom and learning. We also celebrate Ganesh Puja and Viswakarma Puja with all students and staffs in the campus. "World No Tobacco Day 2023" was observed at IIPM SET, Kansbahal on 31st May to aware and make the students informed about the ill effect of consuming tobacco. We also observe "World Environment Day" and on this occasion various events were conducted with full participation of students and staffs as under:

1. Quiz Competition on the Theme "Only One Earth : World Environment Day 2023".
2. Sapling Plantation: A Small step towards safe-keeping the environment.
3. Road Show for spreading awareness among public to save our Mother Earth by displaying Placards, distribution of Leaflets.
